TAPAS | BAR

The motivation to present the wines on our list stems firstly from our love for good wines, but also to introduce our clients the uniqueness of organic wines from renowned vineyards. With our in-house sommelier, we will constantly update our wine selection as our restaurant evolves. There will be a mixture of classics along with new wines that may not be familiar but will reward the adventurous.

Please ask if you would like any further information on any of the wines listed,
we're happy to discuss any of them.
